

## Big Election Vote Expected

Hundreds of Sierra Madre's 4,480 registered voters will go to the polls this Tuesday to decide whether the school tax rate limit can be raised by 55 cents per hundred dollars of assessed valuation. If approved, the new rate for city schools will be \$1.45.

As a spur to voter participation, a parade of school children and other proponents of the tax increase is set for 11:30 a.m. Saturday through city streets.

Those wishing to take part in the parade should meet at 10 a.m. Saturday at the Sierra Madre School. John H. Curtis, president of the Civic Affairs Association, is parade marshal.

There has been no increase in the Sierra Madre tax rate since 1937, except for a one-year boost to build an annex

**Polls in the election Tuesday will be open from 7 a.m. to 7 p.m. Voting places are:**  
Sierra Madre School, 141 W. Highland; City Hall, 55 W. Sierra Madre Blvd.; Canyon Bathhouse, 544 Woodland Drive, and Sierra Madre Parkhouse, 25 S. Hermosa.

In 1951. Last spring, a light turnout of voters rejected a 55-cent tax increase proposal.

No town in Los Angeles County has a lower rate than Sierra Madre's present 90-cent one, and only eight other towns in the county have a rate as low as this city.

Those in favor of the tax increase hope it will pass overwhelmingly.

"Never in the history of Sierra Madre," said Mr. Curtis, "have the people faced such an important decision. . . . They will either go ahead or brand Sierra Madre as a second-rate town."

Mrs. Claude Brown, co-president with her husband of the PTA, said:

"Many people who just did not understand how great was the need for the raise voted against it last year. Now that they have been fully informed they are strongly for it. . . ."

### Art Class Here Is Seeking 'An Old Warm Barn—Insured'

Mayhem in the Woman's Club? Well, a strong male voice was saying—"if you let that come down and grapple with this, it'll strangle it to death!" But it was Robert Frame, artist, teaching his Friday morning class that backgrounds should not tangle up with foregrounds.

Listening with varied 9 a.m. expressions were Mrs. James Wolfe, Mrs. Arthur Bohart, Mrs. Barbara Hagen, Miss Edith McDonald and Mrs. Johanna Horne (both winners in the local show), Mrs. Draper Jennings, Mrs. E. E. Tobias, Mrs. Charles Ayres, Sister Amala and Miss Adele Richardson.

The class is PCC Adult Education. It started with 40 and is down to a hardworking dozen and would like larger quarters—preferably "an old warm barn with public liability insurance."

**EARLY ACACIAS** are blooming all over town. If this is the first note of spring, where were the winter rains?

## Methodists Break Ground For Sanctuary

(See Picture on Church Page.)

Groundbreaking ceremonies were held at the Sierra Madre Methodist Church last Sunday in the wake of an announcement by the pastor, Dr. Chilton C. McPheeters, that efforts of the past two weeks had added almost \$14,000 to the Building Fund for the new church sanctuary.

The Rev. John W. Black, district superintendent of the Whittier District, preached at the 11 o'clock hour and presided at the Quarterly Conference and Congregational Meeting which gave formal approval and authorization to plans and financing for the new structure.

Adjourning to the building site, the congregation gathered around the perimeter of the proposed building which had been outlined in string.

There a brief groundbreaking ceremony was conducted by the district superintendent.

The initial shovel of earth was turned by Dr. McPheeters. Those who followed in turn were the Rev. John W. Black, Fred Brerton, lay leader of the church; Ernest Phillips, chairman of the Board of Trustees, and Dr. Frank Williams, executive secretary of the Board of Missions and Church Extension of the Southern California, Arizona Conference.

The occasion culminated in a dinner for members and friends of the church at Gwynn's Restaurant in Pasadena.

Because of the continuing rising building costs, such as the recent advance in redwood due to the floods in Northern California, there is need for another \$15,000.

It is the hope of the Building Committee that interested friends who have not as yet indicated any support for the current project will come forward and make possible the realization of the amount yet needed.

AN HISTORIC MOMENT—Dr. Frank Williams, executive secretary of the Board of Missions and Church Extension of the Southern California-Arizona Conference, turns over a shovel of earth at groundbreaking ceremonies Sunday for a new \$80,000 sanctuary for the Sierra Madre Methodist Church. This will be the first new church to be erected in Sierra

Madre in 35 years. From left are Ernest Phillips, chairman of the church Board of Trustees; Mrs. Chilton C. McPheeters, Dr. Williams, Dr. McPheeters, minister of the Methodist Church here; Rev. John W. Black, superintendent of the Whittier District, and Fred Brerton, lay leader of the church. (Other photo on Page 2, second section.)

## Mrs. Paul Johnson Describes Destructive Rioting in Jordan

Mrs. Paul Johnson of Sierra Madre, who with her husband lost all of her personal possessions when Arab rioters destroyed their village development project, has written a friend here describing the riot.

The project destroyed was one of five directed by Mr. Johnson in East Jordan under the auspices of the American Friends Committee.

Mrs. Johnson's letter, written to Mrs. T. M. R. Parker and dated Amman, Jordan, Jan. 12, 1956, follows:

"Yesterday morning between 10 and 12 the Jordan Project was completely wiped out. A mob, estimated by the Jerash Commandant of Police to be over 2,000, arrived 15 mins. after Paul and I had been evacuated by said police.

"We were taken to the Jerash Police Station, and from its position, high on a hill, we could look over the intervening miles and see one building after another being fired and the smoke curling up lazily over the forest trees.

"We lost everything—I mean everything. We came away with the clothes on our backs—and as luck would have it, our oldest clothes, for I was starting to mimeograph the quarterly Activity Report and Paul was planning to walk over to see how the Dibbin farmers were doing with their hole-digging for new trees.

"The place was looted or burned so that, according to the police who stood helplessly by, not one shred of anything was left. And why? Don't ask us, because we don't know.

"The performance was inspired by Suf people, a village outside of our area with whom we have had nothing to do. And who inspired the Suf people? Well, there are various theories current. We hope to be able to track the thing down one day.

"Paul and I were the only staff at the project at the time. Dale was in Ramallah, Moussa and Haseeb on leave in Beirut, and Munther and Abu Butros had set forth Sunday morning for the West Bank to get trees from the Gov't nursery there and do other project errands.

"They were turned back just past the Jordan river and had a fairly harrowing time returning to the project. At Suweilah, the town on the Amman-Jerusalem road at which you turn off to go to Jerash and our project, they learned from a villager of one of our villages that the project had been burned.

"You can imagine how they felt. They were fearful for us and rushed to the project as fast as they could but were turned back by the police—the mob was in full cry and busily at their destructive work. They finally joined us at the Jerash police station.

"We stayed in the police station all day. By mid-afternoon we were finally able to get a phone call through to Amman to the Embassy. After nightfall a convoy of two truckloads of Arab Legionnaires plus a big Land Rover arrived to get us to Amman. (Note from Paul Johnson: Convoy for two of the harmless people called Quakers—in the best style!)

"Amman has been under strict curfew for three days, with people allowed on the streets to buy food, etc., only

between 3 and 5 p.m. No planes have come in or gone out of the Kingdom for several days, no surface traffic has moved between towns and the telephone wires have been cut between Amman and Jerusalem. Nobody knows nuffin'!

Although the Johnsons have been in Jordan only about 2½ years, on the project, Mr. Johnson spent long months before that traveling over the Middle East searching for the most useful place for the American Friends Service Committee to work.

In conjunction with the Jordan Government, it was decided to try to bring help into the food-growing areas. The entire project was aimed at helping the Arab to help himself—a Point 4 program on the lowest level.

No elaborate equipment was brought in; rather, the Quakers tried to use the tools the Arab used, and to produce more and more varied food crops.

Two of the biggest successes were introducing land-terracing and a blight-resistant grape vine.

The Johnsons report that they were beginning to find understanding and acceptance and interest in the five villages which have lived in unbelievable poverty for generations. No matter the destruction, they feel they surely have brought hope and a glimpse of brotherhood into the villages.

### LAW COURSE PLANNED

A new course in "Principles of Real Estate Law" will be offered by the Monrovia-Duarte Evening High School, beginning Jan. 30 in Room 8 of the Social Science building of Monrovia-Duarte High School. The class will meet once a week from 7 to 9:30.

MEMBERS OF BROWNIE Troop No. 1 gather around the pedigree German Shepherd puppy which will be auctioned off next Thursday to the highest bidder over \$50. From left are Eleanor Herzberg, Renee Valois, Waverly Gabberry and Nancy Carr. Proceeds from the sale

of the black-and-silver registered puppy will go to the troop's treasury to finance the girls' activities. By the time of the auction, the puppy will be six weeks old. For information call ELgin 5-0196 or ELgin 5-9765.

## Rabies Law Passed; Effective June 1

### Pasadena Votes Site to Schools

The Pasadena city directors this week completed their role in the Victory Park negotiations by voting unanimously to give a grant deed on the upper 15 acres of the park to the public schools.

The acreage is to be developed with 25 acres of adjacent county land into a 40-acre school site.

The City Council voted unanimously Tuesday night to require the inoculation of dogs in Sierra Madre against rabies.

The vote was taken after the proposal was debated thoroughly and after the second and final reading of the ordinance which provides that every dog over the age of six months must be inoculated unless the owner has a certificate proving past vaccination.

The ordinance will become effective June 1, 30 days before new dog licenses are required.

The City Council will work closely with the PTA which, as in past years, will conduct a clinic during the early part of June to inoculate dogs. The PTA fee in the past for inoculating dogs was \$1.

Dog owners who do not use the PTA services must have their pets inoculated against rabies by a veterinarian if they hope to receive a dog license.

The ordinance provides for the use of either chick-embryo or tissue-phenolized vaccine.

If the former is used, the dog must be inoculated again within two years; if tissue-phenolized vaccine is used, the re-inoculation period is one year.

Violation of the ordinance is punishable by a fine of not more than \$500 or six months' imprisonment or both.

Letters protesting the ordinance were read over the signatures of Edith W. Smith, 277 W. Highland; Ruth Herzberg, 32 N. Lima; Mr. and Mrs. John Yeckley, 529 W. Orange Grove, and Mrs. Hazel Stiles, 217 N. Lima.

The letters reiterated past arguments that compulsory inoculation is an invasion of human rights, that there has been no rabies in Sierra Madre in 50 years and that strict enforcement of the leash law would make a rabies inoculation law unnecessary.

One letter in favor of the ordinance was read from Edward A. Davey, 84 Monterey Lane.

Speaking in favor of the law were Col. Walter D. Thurber, 480 Manzanita, and Mrs. Alice S. Hawley, 313 Sycamore Place.

Mrs. Grace R. Vane, 220 E. Sierra Madre Blvd., said the question appeared to be one of human rights versus animal rights. She suggested strict enforcement of the leash law and inoculation of dogs that are permitted to run loose.

Mrs. Rita Del Mar, of El Monte, a representative of Humane Affiliates, a state organization, spoke once again for several Sierra Madre women who protested the ordinance.

Discussion of the ordinance was started by the City Council several weeks ago because of the increase of the disease in Los Angeles County. The county put to death 212 dogs in 1955, all of them diagnosed positively as rabid.

Further, 523 persons in 1955 in this county underwent the painful and somewhat dangerous Pasteur treatment after exposure to the disease.

In other action, the Council: 1. Adopted procedures for the election April 10 of two Council members, the city clerk and city treasurer.

2. Passed a resolution calling for bids on parking district bonds. More than \$39,000 in bonds will be sold to cover the cost of that part of the new parking district for which there are no assessments.

3. Approved the recommendation of Councilman Harold Roberts that Dan Strite, 555 N. Auburn, be appointed to the Los Angeles Watershed Commission. Mr. Roberts recently resigned from the commission.

## Sierra Madre Concert Band To Start Rehearsals on Feb. 1

The Sierra Madre Concert Band will resume rehearsals Feb. 1 at 7:30 p.m. in the gymnasium of the Congregational Church, Sierra Madre Blvd. and Hermosa.

Walter Laursen, director of the Pasadena Boys' Club Band and a member of the Pasadena Symphony Orchestra, will direct the first spring practice.

Since the resignation of Roger Gray, director for 2½ years, the band has been without a permanent director. Sponsoring group of the band, the Recreation Commission, has invited several directors to conduct the band.

The musical organization is composed of members from many San Gabriel Valley communities, and musicians with at least two years' band experience, or the equivalent, are welcome. Practice for the fourth season of summer concerts in the park will begin, with consideration being given to a spring performance.

The band is a community enterprise, supported by both city and school funds, as well as public subscription, and by merchants with contributions

and advertising in the concert programs.

Band members are from all walks of life, and the audience also represents the entire community. A variety of music is played, to appeal to all tastes, and many organizations have contributed time and effort in establishing the summer concerts as a Sierra Madre tradition. Refreshments sold at the concerts also assist in support of the programs presented in the park.

Rehearsals are scheduled for every Wednesday in the church gym, except for the second Wednesday, when the room is not available. Tentative arrangements for the use of the elementary school kindergarten for the second Wednesdays have been made.

## Some Facts You Should Know About the School Tax Issue

As all our readers must know by now, The News would like to see the city's voters approve the increased school tax.

In our front-page editorial this week are presented some of the reasons for The News' stand. In addition, we thought it would be a good idea to attempt to answer here some of the many questions pertaining to the use and distribution of tax money which have been voiced during the past several weeks. Here they are:

Q—How much is properly assessed in Sierra Madre?  
A—One-third to one-quarter of market value.  
Q—What is the elementary school tax for operating expenses for Sierra Madre?  
A—90 cents.  
Q—How much is the increase being asked on Jan. 31?  
A—55 cents.  
Q—What is the difference between bond money and general fund money?

A—Bond money can be spent only for the specific purpose voted on, generally for land and buildings. General fund is for operating the school, but can be spent for buildings if necessary.  
Q—Why is the school board asking for such a large increase all at once?

A—Because, just as in a family situation, everything happens at once, so with the school. Needed repairs, unprecedented increase in enrollment, with increased costs in all lines, and surrounding communities providing salaries to attract our teachers.

Q—How long is the 55 cents to be in effect?  
A—Ten years.  
Q—Don't taxes ever go down?

A—Yes. In 1958 the last payment will be made on the Highland Ave. building and taxes will decrease by 12 cents. Pasadena also lowered Sierra Madre's tax bill in the secondary schools district by 55 cents this year.

Q—What will the 55 cents on the tax bill mean to me?  
A—The average home owner will pay \$16.50 for the added 55 cents. Consult your tax bill: add net real property and net personal property, multiply total by 55, and don't forget the four decimal places.

Q—What are the alternatives if the tax is not approved?

A—Overcrowded classes. Loss of outstanding teachers due to inability to meet salary schedules. Rapid deterioration of the building and closing of some rooms. Further loss of services, i.e., custodian, gardener, nurse.

Q—How much will the 55-cent increase provide annually?  
A—About \$55,000.

Q—What if increased assessments provide more?

A—The board has said that \$55,000 is needed and will be appropriated; if increased assessments provide more, the tax will be less.

Q—What is the \$55,000 to be used for?  
A—\$19,500 for teachers, including new teachers, restoring music teacher, and salary increases.

\$8,000 for extensive repairs, to be done annually for seven years, on roof, heating, and wiring.

\$4,500 to restore bus service and cafeteria service, including purchase of bus spread over a five-year period.

\$5,000 for additional help: clerical, custodial, and gardener, as well as covering increases in salaries.

\$2,500 for new equipment, repairs to old, and furniture for classrooms.

\$3,000 for painting, soundproofing classrooms, resurfacing, and dust control to playgrounds, and creation of new play areas.

\$7,500 for tuition increases as the "war babies" reach the junior high schools.

\$5,000 for general reserves, which have been depleted.

Q—Where has the money gone in previous years?

A—For the most part, salaries. In a \$237,740 budget, \$159,675 was for salaries; \$47,500 for tuition to Pasadena for 7th and 8th graders; \$30,583 for all supplies and equipment inside and outside the two school buildings, for all utilities and insurance, and for the million and one small items needed to operate a school.

We repeat: Get out and vote YES on the tax increase next Tuesday. Your children deserve it.

Lee Shippey asks

## What Do You Think?

After six years, the FBI solved one Brinks case. But after three years of bragging about peace, Mr. Dulles' three Brinks cases still are a puzzle.

BRUCE RUSSELL, who will speak at the Chamber of Commerce dinner tonight, wasn't quite born in Sierra Madre but he lived here in his most impressive years, and we are certainly proud to claim him as one of ours.

As a matter of fact, he was born in our suburb of Los Angeles and attended high school there before the Russells moved to Sierra Madre.

Bruce always has been—and, regardless of age, always will be—a modest young fellow. But I never know anyone else who made such a habit of trying to improve himself. In high school he was an Ephebian, and I believe only two out of each high school could be so honored at that time.

As a cartoonist, he not only studied his craft but habitually studied all kinds of things to broaden his general knowledge. In 1946, when he was awarded the Pulitzer Prize, he might have thought he was good enough, if he had been an ordinary boy, but he kept on trying to improve himself.

In 1948 and 1950 he was similarly honored by Sigma Delta Chi, international fraternity of journalists. Yet he is still a simple, friendly guy who has learned something about nearly everything except pretense and pomposity.

SOME WEEKS AGO The News reported that the local Democratic Club was meeting to boost the purely nonpartisan petition to the supervisors to let the city of Pasadena have 25 acres of county land in Eaton Wash for the building of a high school within convenient reach of Hastings Ranch and Sierra Madre as well as much of East Pasadena.

Well, the supervisors have granted that petition, and it is

devoutly to be hoped that Pasadena will act with all speed in erecting a high school down by the dairy. This end of the district can supply plenty of pupils, greatly relieving the burden on City College and saving hundreds of our kids from transferring in the rain or waiting in the hot sun at Lamanda Park Junction.

SEEMS TO ME our street department deserves praise for doing a good job. Not only are most of our streets kept pretty clean but our trash and garbage pickups have been most satisfactory and lately some very helpful trimming of trees overhanging streets has been done.

But some of our citizens still fail to cooperate as they should. It isn't fair to your neighbors to put out big cans or cartons of garden trash two or three days before the pickups are due.

And it isn't fair to leave the empty cans or cartons littering the sidewalks a day or two after they have been emptied. Of course, it's quite pardonable to leave them out a few hours after the pickups. (Note: Mine usually are left out a few hours.)

THE RALPH HURWITS of Ralph's Shoe Store are in a spot in which any parents of teenagers might find themselves nowadays. They are facing a judgment of more than \$32,000 because a car their son was driving struck an elderly woman, injuring her so that she was in a hospital a long time. Of course our sympathy goes out to her but it goes out to the Hurwits, too. A judgment of that size may ruin a businessman who has earned the respect of this community and put him in debt all the rest of his life. We can be awfully sorry for all concerned, but I regret seeing a whole family so severely penalized for what one member unintentionally did.

Dear Editor:

Our community, in order to progress and grow, must of necessity be open to a fair share of criticism. To be able to raise our voice in order to be heard.

Once again we the citizens of Sierra Madre have a solemn duty and privilege, on Jan. 31st, to remedy a past injustice done our children, by voting a resounding "Yes" for the "School Bond."

A progressive community prides and gauges its progress by its educational institutions.

Can we as honest citizens and parents claim this distinction?

Building construction has reached a "new high," while an elementary school slowly withers for lack of financial aid.

It is not my intention to quote statistics. Already others have admirably shown that very little is needed to bring our school to a level enjoyed by other communities similarly populated.

Our teachers in Sierra Madre are to be commended for their patience and loyalty. Many could achieve a higher standard of livelihood elsewhere; yet they chose to remain.

Where else, but in this wonderful land of ours, can we as citizens and parents "buy so much for so little"?

A "Yes vote" will be a stabilizing factor in our community, as well as restoring confidence, not only in our children, but in ourselves as good citizens.

BEN GARSON

To the Editor:

It is to be expected, in any such vital issue as the coming tax raise election, that tempers will run high and arguments pro and con will be loud. It is the essence of our democracy that we can cuss and we discuss! But it is hard for me to understand why some people have not the courage to identify themselves in their arguments. I refer specifically to the letter in the Jan. 13th edition of the Sierra Madre News, signed only, "Sierra Madre Taxpayer."

Had this person signed his or her name, I could have quoted, "I do not agree with what you say, but I shall defend with my life you right to say it." But the signature is not there. Why? Does this person not have the courage of his (or her) convictions, to stand up boldly for what he (or she) believes to be right? Or does he (or she) know that anonymous letters are an excellent way of starting and continuing rumors, the facts of which he (or she) could not substantiate? Usually anonymous letters are considered the work of irresponsible people and as such given no consideration. This letter was answered not only in the same column, but also in the Editorial.

I feel the writer is inconsistent, also, in part of the letter. I quote the last paragraph:

## OUT OF THE COBWEBS

49 YEARS AGO THIS WEEK, Jan. 24, 1907 — Mrs. Fred R. Maxey, of Pittsfield, Me., is visiting with her sister, Mrs. R. A. Kimball, on Auburn Ave.

Mrs. Laura H. Stevenson, teacher of piano, will give individual instruction at her studio on Laura Ave., at hours to suit pupils.

J. C. Gleason, who came here a few weeks ago from New Mexico, has been joined by his family, and they now occupy rooms at S. D. Towne's.

20 YEARS AGO THIS WEEK, Jan. 24, 1936 — Floyd Benjamin Green, who held up and robbed the Sierra Madre Savings Bank of more than \$1,000 on Aug. 31, 1932, kidnapped the secretary-cashier, Miss Mattie Seeley (now Mrs. Frank Spencer), and seriously wounded Officer Frank E. Meredith of the Lincoln Heights substation in a gun duel at Sierra Vista during Green's mad dash for freedom, will go on trial in Department 46 of the Los Angeles Superior Court next Monday. He is charged with robbery, kidnapping and assault to kill.

John H. Osgood died on Saturday night, at the family residence, 617 W. Montecito Ave., at the age of 62. He had been active in civic and philanthropic affairs and was a son of the famous Captain Osgood, one of the founders of Sierra Madre, and a founder also of the local Masonic Lodge.

A luncheon and foursome at the home of Miss Edna Green, of 66 E. Laurel Ave., attracted a coterie of old friends on Monday of this week. Those present were Mrs. H. B. Hersey, Mrs. C. W. Jones and Miss Harriet Grant, along with the hostess.

"A smaller budget, well planned and properly budgeted, goes further than twice as many improperly planned and managed." But before this he (or she) has suggested that if the repairs to the leaky roof run \$15,000 or higher, perhaps it is not worth fixing and a new auditorium would be less expensive. Do the children spend their school hours in the new auditorium while the classroom roof falls in? Would any home owner feel it good planning and proper management to build a new family room on their home rather than fix the roof over the whole of the rest of the house? Or is this suggestion just the typical red herring thrown out to confuse the issue and perplex the voters?

Sincerely yours,  
MRS. ROBERT A. BETTEN-COURT

Dear Sir:

I have confidence in Sierra Madre. I believe that it has a majority of people who are far-sighted and intelligent. I believe they will allow the school board the needed funds for one basic purpose: to provide adequate teaching staff for the educational and cultural betterment of the children.

They will allow the board the working increase of 55 cents and then they will follow carefully the action of their elected representatives in administering these funds.

I will admit there are times when confidence is shaken, but I still have confidence. I would not have launched our church on an expansion program that will need the cooperation and confidence of Sierra Madre if I did not believe in this town.

I don't believe they will let us down. I don't believe we will break faith with the next generation. But I would remind all that the penalty for neglecting the privilege of voting is to badly governed.

Yours very truly,  
ROBERT N. SCHAPER.

Dear Sir:

It seems to me that every aspect of the facts about the school tax election has been adequately covered.

Thorough, devoted and intelligent people have worked to assemble and distribute these facts.

We know the schools need more money.

We know we will appear to suffer slightly in the region of the pocketbook; but will actually improve more than slightly in that region because good schools increase property values. It is very important to consider the pocketbook.

But now it seems to me something needs to be said about the privilege of being a citizen of a community, and of the responsibility that goes with it. We all know it, but here it is again—each of us is responsible for making his community a better place.

An easy way to do this on Jan. 31 is to make sure all our

children have a chance at a good education.

I think there is no adult in this community who can consider himself exempt from this responsibility.

Sincerely yours,  
EDITH T. DANE.

Sir:

Criticism of our public schools is one of our most popular indoor sports today, ranking with canasta, and politics. But much of the criticism leveled against schools in general, and our Sierra Madre schools in particular, stems from a lack of understanding of the job they are trying to do, at the request of us who want our children trained to be good citizens in a very complex society. It's a far more difficult matter than merely handing out the three R's.

We need to remember that we are living in the midst of the most rapidly growing population area in the world. We

cannot escape the problems which come with that growth, even though we might long to. Inevitably, our schools are affected by that growth. They are not perfect, and as parents and taxpayers, we may very well desire a change in one policy or another. If so, there are channels through which we can make our desires known. But they do not include voting AGAINST the schools in Tuesday's balloting.

Refusing to provide adequate money for our schools does not solve the problem of adequate education for our children. Let's give our school administration and our teachers the tools they need to work with. Then, if we have suggestions for the better use of those tools, we can make them in good conscience. We cannot, otherwise.

Sincerely,  
GEORGE W. LINDSAY.

## Jeanne Lucille Reitzell to Wed John Everett Carver in Spring

Jeanne Lucille Reitzell, daughter of Mrs. Robert William Reitzell and the late Dr. Reitzell, passed the traditional box of chocolates to her Gamma Kappa Theta sorority sisters at Occidental College, announcing her engagement to John Everett Carver, son of Mrs. Everett William Carver, 257 E. Montecito, and the late Mr. Carver.

A summer wedding is planned with the date being announced in the spring.

The bride-elect, a senior at Occidental preparing for her elementary school teacher's degree, is prominent in school activities and treasurer of her sorority. She is a graduate of John Muir and was elected to California Scholarship Society.

She is a granddaughter of Mrs. Henry C. Mueller of Pasadena, and the late Dr. Mueller, and Mr. and Mrs. Harry W. Reitzell, also of the Crown City. Mr. Carver is also a graduate of John Muir and General Motors Institute, Flint, Mich., where he completed the course in technical operation and management. He was one of the 10 members of G.M.I. Tech Club, a senior honorary club based on scholarship and leadership. He was a member of Sailing Club at John Muir.

Mr. Carver is the grandson of Mrs. Jephtha Fritz Randolph of Canton, Ill., and the late Mr. Randolph. Also, the late Mr. and Mrs. Willard Henry Carver of Canton.

### Surprise Party at The Ralph Thorsens'

Mrs. Ralph Thorsen, 167 White Oak Dr., recently gave a surprise birthday party honoring her husband and Mrs. Albin V. (Marcelle) Carlson, one of Sierra Madre's popular artists. The Carlsons' daughter, Suzanne, was also in attendance at the festive event.

The truth wouldn't seem so brutal if more people were better acquainted with it.

## 'Old Fashions' To Be Shown By Phoebees

"A bustle we have, and a bridal gown, And a lace-trimmed mantle from London town!"

An apricot velvet, a tea gown, blue, These fashions of old presented for you."

And such is the introduction for the "Show of Old Fashions" at 8 p.m. on Feb. 3 in Pritchard Hall of the Congregational Church. The occasion in collaboration with Goodwill Industries is a fund-raiser for this year's Church School Kindergarten Project of the church's young women's organization, the Phoebees.

The evening will begin with an introduction by Mrs. Sauffer of Goodwill Industries and continuing with a procession of young models gownned in fashions of yesteryear, accompanied by appropriate music as well as several vocal solos. One of the models will be attired in an old-fashioned bathing suit.

Mrs. Clifford Hensel is in charge of the affair and committee chairmen for the event include Mrs. Tom Solary, Tickets and Publicity; Mrs. Douglas Spencer, Decorations; Mrs. Bert Embree, Personnel; Mrs. Robert Hartman, Refreshments, and Mrs. Rowena Wingate, Posters.

## ... Social and Club Activities ...

Mrs. W. K. Peterson

Marlene Adrienne Hansen, daughter of Judge and Mrs. Victor Russell Hansen of La Canada, became the bride of Warren Keith Peterson, son of Mr. and Mrs. S. E. Peterson, 50 E. Alegria, Jan. 21 at Our Savior's Lutheran Church in Los Angeles with Rev. Myrus Knudson officiating.

The bride, given in marriage by her mother and father, wore a white lace Caillat gown with heirloom pearls and carried a lace handkerchief once owned by Empress Josephine. Her white prayer book was covered with a spray of white roses and orchids.

The bridal attendants, Mrs. Thomas Martin Jr., matron of

honor, Miss Ann Keilholtz, Mrs. Robert Hubbert, Mrs. J. Robert Mueller and Mrs. Richard Peterson, bridesmaids, and Peggy and Carol Kliebert, junior bridesmaids, wore blue velvet frocks and carried bouquets of garnet red roses with matching tiaras.

Vickie Martha Clausen was flower girl.

Best man was Frank Whitman Jr., and the ushers were Russell Hansen, John Dawson, Jack Carver, Arman Farmarian, Richard Price and Donald Montgomery. The junior ushers were Robert Hansen and John Sequiera.

The bride's mother chose a beige Peggy Hunt original gown and the groom's mother was attired in a seafoam blue lace dress.

The bride attended the University of California at Santa Barbara where she was a member of Delta Gamma sorority, University of Hawaii and the University of Southern California.

The groom attended Occidental College and the University of California at Los Angeles.

Following a reception held in the Golden State Room at the Statler Hotel, the newly married couple left for a honeymoon in San Diego and the desert. On their return, they will make their home in La Canada.

It isn't the price you pay for experience, but the knowledge you gain that counts.

It's always the busy housewife and mother who will make time for a worthwhile cause. Our busy mothers helping on the March of Dimes are: Mrs. Ray Johrde, Mrs. Thomas Barkerville, Mrs. Joseph Heydon, Mrs. Robert A. Nash, Mrs. Allan Walters, and Mrs. Francis McNamara.

Cathy Albertson (Mrs. Arthur G.), 161 Colony Drive, is enjoying a visit and getting lots of help on her new garden from her parents, Mr. and Mrs. M. G. Moul, of Washington, D. C.

Also winning and dining relatives are Vera and Leo Horstwell, 160 Colony Drive, who took cousins Mr. and Mrs. Ralph Brunner, of Minnesota, to luncheon and the races at the Santa Anita Park Turf Club.

Barbara and husband, C. Martin Berdhal, 472 San Gabriel Court, are off to Palm Springs for sun and rest. During the long and fatal illness of her grandmother, Barbara has shown only fortitude and cheerfulness towards her children and neighbors. Get a good rest, Barbara.

Spending an invigorating and activity-packed weekend in the snow at Boy Scout Camp Seely are father and son, Lester and Skip Barkley, of 180 Colony Drive.

Newest arrival in "Santa Anita Estates" is Mary Ann Fisher of 111 S. Holdman, who was born at the California Hospital last Monday. Florence and James Fisher, the proud parents, are overjoyed at having a girl. Mary Ann has three brothers to welcome her home.

Mr. and Mrs. H. Denowski, 350 E. San Gabriel, recently from Dayton, O., are among the first in the new area to build a swimming pool. Neighbors contemplating a pool before summer are eagerly watching construction.

### READY FOR FISHING

A 10-acre water area stocked with warm water fish at the site of the proposed 86-acre Whittier Narrows lake will be ready for anglers at the start of the 1956 fishing season. Herbert C. Legg, chairman of the Board of Supervisors, has announced.

### Civic Club Members Chart Plans for March of Dimes

The Sierra Madre Civic Club is sponsoring an all-out drive to assure the success of local participation in this vital national fund raising project. This Thursday (today) Mrs. Lawrence Bonney will be hostess with Mrs. Louis Sauter co-hosting at a very special meeting. A March of Dimes film entitled "Remember Me" will be shown, with Mrs. Thelma Siegel as commentator.

Mrs. Rocky Summers, Mothers' March chairman, has announced there is still a shortage of volunteers for the porchlight drive on the evening of January 31st. Mrs. Richard Barden, captain of the rather inaccessible area including the Canyon and Marlborough Terrace, has enlisted the aid of several husbands of Civic Club members to assist on this night.

Those wearing badges stating "Tonight I Am A Mother" are Richard Barden, Joseph Custer, James Cole, William Burke and Dyke Berry.

All members who possibly can be urged to attend the meeting tonight.

Be sure to go to church over the week-end.

NEW OFFICERS OF THE Sierra Madre Kiwanis Club were installed at the organization's meeting Jan. 10 in the Woman's Clubhouse. From left are David Allen, treasurer; Tom Oki, Kiwanis lieutenant governor who was the in-

stalling officer; Dr. Allen Burgess, retiring president; John H. Curtis, the new president; Larry Lomax, vice president, and James Wolfe, secretary.

### Search Starts Soon Here for Mrs. America

A community-wide contest will be conducted to find the No. 1 Sierra Madre housewife, it was announced today.

According to advance plans the competition to select Mrs. Sierra Madre will be conducted under the auspices of one of the city's leading civic organizations.

Sierra Madre homemakers, married, and 21 or over, are eligible to enter the 18th annual competition for the national title and more than \$15,000 in prizes, as well as a share of the some \$10,000 in prizes to be awarded to California contestants.

The announcement states that the Mrs. America Contest is not a bathing beauty competition but a test of home-making abilities. Although personality and personal appearance will be considered in the judging, the major emphasis will be given to important housekeeping talents.

Application blanks are available at Sierra Madre gas appliance dealers, DeSoto dealers, gas company offices and many local supermarkets.

The Sierra Madre competition, the announcement states, is one of a series of elimination contests to be held throughout the state, culminating in the naming of Mrs. California at a final contest to be held in the Cocoanut Grove of Los Angeles' Ambassador Hotel in April. The state winner, with her husband, will go to Ellinger Village, Ormond Beach, Fla., for the national finals the second week in May.

The 18th annual Mrs. America Contest is being conducted nationally under the auspices of the American Gas Association and Mrs. America, Inc.

### Local Girl Wins Bout With Fence

Judy Engle, young daughter of Mr. and Mrs. Michael Engle, 269 Rancho Road, has recovered completely from a near-serious encounter with a heavy wire fence.

Judy became entangled in the fence a week ago Tuesday. She strangled in the wire and was revived by the police department resuscitator in the hands of Officer Lindelken. After a night in Huntington Hospital for observation, Judy was pronounced recovered.

People are not equal and never have been—but they do have equal opportunity.

### Lady Lions Club Holds Meeting

## Open House Set Here for New Center

To stimulate interest in the recently established Pasadena Area Liberal Arts Center, an open house will be held at the home of Mrs. Harry Snow, 310 E. Highland Ave., Sierra Madre, on Feb. 9 from 8 to 10 p.m.

Mrs. William E. Hansen, director of the center, announced that individuals interested in learning more about this method of continuing their education in the field of liberal arts are invited to attend.

The program includes a film, "Rules for a Good Discussion," and a talk by Bertram Keilin.

Mr. Keilin will explain the group discussion method of learning, how it is related to the field of the liberal arts and how leadership is developed within the group under the guidance of a trained volunteer.

The films, texts, records and supplementary readings have been developed by independent colleges and individuals through grants from the Fund for Adult Education and have been tested under group conditions.

The discussion programs available to groups and individuals through the center, located at 482 E. Union St., Pasadena, are: Economic Reasoning, World Affairs Are Your Affairs, Great Men and Great Issues, Ways of Mankind, The Humanities, and Parenthood in a Free Nation.

There is a nominal fee for the discussion programs. If you would like to attend Mrs. Snow's open house or would like to know more about the center, call Mrs. Jo Rosner, chairman of arrangements, EL 5-1389, or the Center, SY. 5-4339.

### Local Student Speaks During 'Devotion Week'

Robert Peterson, son of Dr. and Mrs. H. A. Peterson, of 147 E. Montecito, was a student speaker last week at Pacific Union College services highlighting "Student Week of Devotion" at the college.

Robert's sister, Marion, also appeared on the program at the Seventh-Day Adventist College. The "Student Week of Devotion" enlisted 200 student speakers, musicians, prayer band leaders, and others in the program, featuring essential steps in Christian growth.

Two general services highlighted each day, with two student speakers at each, while at another time the entire student body grouped in prayer bands engaged in special prayer.

### What Amuses Today May Become Commonplace Tomorrow!

Today she's fascinated by the rainbow hues of the soap bubbles. Yesterday she played at keeping house—tomorrow—perhaps some new fangled doll may amuse her.

So it is with all children, throughout all the ages, for they are merely reproducing the history of the human race—ever seeking some new toy—some new release from the humdrum existence of everyday life.

But, when all these things have been tried and found wanting there must be something more soul satisfying to keep alive the desire of being.

The youngster, who at an early age discovers the value of regular Church attendance grows up to realize that when fleeting pleasures are gone there need be no void—but an utterly satisfying and all enduring faith.

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

#### NOTICE INVITING BIDS ON VEHICLE PARKING DISTRICT ASSESSMENT BONDS

NOTICE IS HEREBY GIVEN that the City Council of the City of Sierra Madre, California, will receive sealed bids for the purchase of the following described bonds at its Chambers in the City Hall of said city up to the hour of 8:00 o'clock P.M., February 14, 1956.

The bonds to be sold are bonds to be issued to represent unpaid assessments levied upon the lands within VEHICLE PARKING DISTRICT NO. 1 of said city to pay the cost of the acquisition and improvement of certain parking lots and related facilities under the Vehicle Parking District Law of 1943, Part 1 of Division 18 of the Streets and Highways Code of the State of California. Said bonds are Fifty-one (51) in number and of varying principal amounts totaling the sum of \$39,568.37. Said bonds are dated December 14, 1955, and bear interest from that date at a rate of not to exceed six per cent (6%) per annum. The first interest is payable on July 2, 1956, and thereafter the interest is payable semiannually on January 2 and July 2. The principal of said bonds is payable by coupon in twenty (20) even annual installments payable on January 2 of each year beginning January 1, 1957. Said bonds are similar to bonds issued under the Improvement Act of 1911, Division 7 of the Streets and Highways Code, and, except as otherwise provided in said Vehicle Parking District Law of 1943, the provisions of Part 5 of said Improvement Act of 1911 apply to said bonds and govern as to the issuance, collection and enforcement thereof.

In each of said bonds the right will be reserved to redeem such bond at any time before maturity upon payment of the unpaid principal with interest thereon to the due date of the next maturing interest coupon, PLUS A PREMIUM of three per cent (3%) of said unpaid principal.

Each bond is a lien upon the property upon which the assessment represented by such bond was levied. For a description of the respective lots, pieces and parcels of land upon which the several bonds are liens, and for other information, reference is made to the assessment recorded in the office of the Superintendent of Streets of said city and to the List of Unpaid Assessments in said matter on file in the office of the City Treasurer of said city.

Said bonds are to be sold for cash on the responsibility of the bidder at not less than the par principal amount thereof. Each bid shall state that the bidder offers to buy said bonds at the par value thereof, and shall state the interest rate, not to exceed six per cent (6%) per annum, payable as above provided, at which the bidder offers to buy said bonds. Bidders are directed to bid on a par flat basis WITHOUT ACCRUED INTEREST. Any accrued interest bid will be entirely disregarded and need not be paid. Any premium offered will not be taken into consideration in determining the best bid except for the purpose of breaking a tie between two bids stating the same interest rate. A bidder may offer a premium but such premium will be payable only if such premium is used to break a tie between that bid and some other bid or bids stating the same interest rate. Only one interest rate may be bid which rate may be stated in any multiple of 1/100th of 1% or any multiple of 1/8th of 1%. No bid for a part of said bonds will be considered.

A certified or cashier's check on a responsible bank or trust company, in the amount of three per cent (3%) of the principal amount of the bonds bid for, payable to the order of the City of Sierra Madre, must accompany each proposal as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying any accepted proposal shall be applied on the purchase price or, if such proposal is accepted but not performed, unless such failure of performance shall be caused by any act or omission of the City of Sierra Madre, shall then be retained by the City. The check accompanying each unaccepted proposal will be returned promptly.

The opinion of O'Melveny & Myers, attorneys, approving the validity of said bonds will be furnished the successful bidder at or prior to the date of delivery of the bonds, at no expense to the bidder.

Payment for and delivery of said bonds shall be made in the office of the City Treasurer of the City of Sierra Madre.

It is expected that delivery of said bonds will be made on or about March 15, 1956.

The bids will be opened at the meeting of the City Council of said city to be held February 14, 1956, at 8:00 o'clock P.M. in the Council Chambers in the City Hall. Bids will be opened during said meeting at or after 8:00 o'clock P.M.

The Council reserves the right to reject any or all bids and to waive any irregularity or informality in any bid to the extent permitted by law.

Given by order of the City Council of the City of Sierra Madre adopted the 24th day of January, 1956.

L. MARIE WARFEL,

VILLA

I just want to remind everyone not to forget the Mothers' March on next Tuesday, Jan. 31. The fight against polio is far from over. We are just beginning to see a ray of hope, and for thousands the fight will never be over because they got polio too soon. I for one will be out ringing doorbells and happy for the chance to help out in some small measure against an enemy that no man can foresee.

**THE ANNUAL ELECTION** of officers for the Kinelopa Mesa Association will be held tonight, at 8 o'clock in the home of William F. Nash, 3100 Mesa Loa Lane.

**FRIENDS AND** neighbors of Mrs. Margaret Pope Hovey, of 1556 Sierra Madre Villa, experienced great regret and great joy upon learning of Mrs. Hovey's departure on Jan. 21. The regret was due to the fact that Mrs. Hovey plans to be gone almost a year, and in the short time she has been on the hill she has endeared herself to many people. On the other hand, her friends couldn't help but be joyous when they learned of the magnitude of her trip. She left by plane for Rome as her first destination. While she is gone, she plans to visit Southern Europe, Africa, Asia, Minor, China, the Dutch East Indies, Formosa and Japan. She is making a survey of rehabilitation facilities, both physical and psychological, and will probably do some writing on the subject on her return. She is traveling with Laura Bolton, a musicologist, who will be collecting religious music and its interpretations through the entire trip.

**ANOTHER SAD NOTE** on the hill—Mr. and Mrs. D. V. Gayton and their son and daughter, Donald and Meredith, of 3390 Fairpoint, have sold their house and are moving at the end of the month to Fullerton, Calif. We hate to see our neighbors move away.

**THE SIGMA KAPPA JRS.** of Pasadena recently entertained the Sigma Kappa Sns. at the home of Mrs. Joseph M. Phelps, of 1430 Old House Road. Eunice Nardin, a music instructor at PCC, entertained the group of 35 women with color pictures of Japan, taken while she taught there in 1954 during the occupation of Japan. Refreshments were served after the program.

**MRS. JOHN A. WILLIS**, of 2941 Doyne Road, took time off from an intensive building program to have a Cub Scout Den birthday party for her 9-year-old son, John. Among the Cubs who attended were Almie Jo Hutchins, Donald Gayton, David Phillipson, Bobby Steinbaugh, Dennis Miller, Paul Meehler and Ritchie Smiley. They were served refreshments and then taken to a movie.

**MR. AND MRS. R. E. Lockard**, of 3227 Barilite, are entertaining Mr. Lockard's parents, Mr. and Mrs. C. A. Lockard, who drove out from Des Moines, Ia.

**MR. AND MRS. AIKMAN** Armstrong, of 3450 Fairpoint, entertained at a small dinner party on Jan. 20.

**MR. AND MRS. JAMES** Smart, of 1610 Sierra Madre Villa, are entertaining Mrs. Smart's parents, Mr. and Mrs. W. O. Collins, who arrived from York, Pa., on the 23d. They plan to be here a month.

**DR. AND MRS. J. ARTHUR** Reed, of 3333 Calvert Road, entertained 15 friends at an informal dinner party on Jan. 19.

Music Teachers Plan  
First 'Student Tea'

Pasadena Branch, the Music Teachers' Association of California, will hold the first "Student Tea" of the year Jan. 29 at 3:00 o'clock, at the studio of Mr. and Mrs. Harlow Mills, 720 Magnolia Avenue.

The musical program will feature pianists Doris Trillingham and Joan Stave and violinist Peggy Plunkett.

The tea is for the benefit of the Association's Student Aid Fund which is maintained for scholarships, aid to youth groups and various other projects. Elizabeth Mills is the chairman in charge.

Trinity Notes a Gain  
Of 98 Members in '55

Members of the Trinity Presbyterian Church held their Annual Meeting of the Congregation last Friday. The occasion was marked by a dinner and business meeting, attended by 125 members. Their pastor, the Rev. Donald H. Ostrander, acted as moderator for the evening.

Blue Birds Use  
Super Variety  
Salesmanship

Even if they wished to, householders would have a tough time resisting the salesmanship of local Blue Birds having their annual Camp Fire peanut sale.

Not counting the earnest little faces guaranteed to lower sales resistance, the girls have a song about their sale sung to the tune of "She'll Be Coming 'Round the Mountain," which they will sing without coaxing at all. And in the song, they explain that the money from the sale goes into improvements for summer camp Wasawegan in the San Bernardino Mountains.

In addition, the Eugene Field fourth grade group, led by Mrs. Joe Cummins and Mrs. Howard Hitchcock, made cookies using the peanuts and are using them as samples to entice the buyer.

Girls in this group are Jeanne Jennings, Diane Hitchcock, Karen Sue Cummins, Karen Butts, Susan Hurtig, Ann Lubisch, Marguerite Brinton, Peggy McGraw, Marilyn Lee, Susie Sabin, Marlene Griffin and Gay Morissette.

Deb Johnson  
Has Birthday

Mr. and Mrs. Orville J. Johnson, 1215 Tropical, honored their daughter, Debbie Lou, on her sixth birthday anniversary at an afternoon party which included games and a hamburger picnic.

Those guests bidden to the festive event were Joan Donald, Debbie Anne Dumas, Gail Johnson, Gary Hesse, Jackie Zea, Craig Caldwell, Claudia Uebbing, Sandra Messinger, Jane Scurr, Wendy and Jimmy Shiner, Robyn Fainer, Billy Lawson and Debbie Norton.

Assisting Mrs. Johnson were the guest of honor's brother, David, Gail Templar and Bill Semple.

Valentine Dance  
Set Feb. 10 in  
Elks Club House

The annual St. Valentine's Day dance sponsored by the Women's Council of Assumption of the Blessed Virgin Mary Church will be held Feb. 10 in the Pasadena Elks Club House.

Music will be provided from 9 p.m. until 1 a.m. by LaVerne Boyer and his orchestra.

Proceeds from the dance will be used for the combined benefit of the school and the parish.

Helping Mrs. Herbert Germaine, dance chairman, are Mrs. Charles Klingerman, president of the Women's Council; Mrs. J. C. Wentz, Mrs. Dominic Giangregorio, Mrs. Guy R. Knudson, Mrs. Thomas J. Rose, Mrs. James McGinley, Mrs. Leonard Read, Mrs. Duane Manning, Mrs. E. L. Elfers, and Mrs. Harless Kitchens.

Residents are reminded the Women's Council will have its regular monthly meeting Feb. 1 at 8:15 p.m. in the Parochial school.

Mrs. McCormick  
Has 'Stork' Shower  
For Mrs. Teasdale

Mrs. John Teasdale, who last year served as directress of the Hastings Ranch Nursery School, was honored at a baby shower at the home of Mrs. Caleb McCormick on Cartwright.

The serving table was laid with a lace cloth, and a color theme of pastel green and yellow was carried out in candles and other decorations.

Among those joining to fête Mrs. Teasdale were Mrs. Clarence E. Cowen, Mrs. Joe Cummins, Mrs. William Hogoboom, Mrs. Edsel Curry, Mrs. Howard Hitchcock, Mrs. Rex Thompson, Mrs. Peter Lubisch, Mrs. Edwin Cowan, Mrs. Virgil Anglin, Mrs. Clyde Seitz and Mrs. Wilton Stewart.

The year past has seen significant growth in all quarters. At the November, 1955, meeting of Presbytery the Trinity Presbyterian Church became a mature church, a true milestone in its growth.

There was an increase of 98 new members into the church during 1955, with a new total of 459. During the year the pastor baptized 46 infants and children. The Sunday School enrollment now stands at 572, an increase for the year of 49, with 36 teachers.

Realizing the critical need in the Church School program, the officers and members tackled the task of underwriting the cost of a Christian Education Building. This involved a "Building for Youth Drive," and at the end of their campaign, members were able to report they had reached their goal. A building committee was elected by the congregation. They will be ready for contract bidding the middle of February, and anticipate a ground-breaking ceremony on Easter Sunday. Building will begin immediately afterward.

The 1956 budget of \$31,000 for the church includes a Minister of Visitation, who will start the first of February. He will fill the all-important need of contacting new people for the church.

There are many opportunities for newcomers to meet other members of the church. These range in age span from Westminster Fellowship for 10th Graders to the end of college all the way up to the newly-formed "Senior Citizens" group.

Ranging in the middle of these two are four groups formed of different age brackets. A call to the church office, ELgin 5-1135, will put you in touch with any of the various group chairmen.

Visitors are always welcome at any of the services held in the church at 3740 E. Sierra Madre Blvd.

Mrs. Earl Kaufman Has  
Benefit Bridge Party

Mrs. Earl Kaufman entertained more than a score of neighbors at bridge last Wednesday at her home, 1345 Michillinda, at the second in a series of card parties benefiting St. Rita's Guild.

The first party was held at the home of Mrs. Edwin A. Auger on Canfield Road, and another is scheduled in February in Arcadia.

## PHOENIX HOLIDAY

Mr. and Mrs. William K. Shiner, 1200 Tropical, and their children, Chip, Wendy and Jimmy, left last Thursday for a long weekend at Phoenix, Ariz., where they visited Mrs. Shiner's parents.

**THE ANNUAL** March of Dimes drive in Hastings Ranch, which will reach its climax Jan. 31 with a Mothers' March, is being led by the women shown above. On the floor is Michael Miller, a polio victim from Hastings who, because of your dimes and quarters, has completely recovered. Seated from left are Mrs. Mary Jean Wright, area lieutenant, also a former polio victim, and Mrs. Jean Hoffine, East Pasadena chairman. Standing from left are Mrs. Marjorie Kane, area lieutenant; Mrs. Nancy Rode, area captain assigned to Don Benito School, and Mrs. Helen Smith, area captain, Eugene Field School.

Companeras  
Meeting Feb. 1

Members of Las Companeras will meet Feb. 1 at the Altadena Town and Country Club for their regular monthly luncheon meeting, starting at 12 o'clock noon.

Mrs. Kenneth W. Christianson, president, will preside and Mrs. Dominic F. Giangregorio, program chairman, will introduce Don Blake who was chief of the first underwater demolition squad, better known as "Frog Men," who will recount his experiences at Wake Island, Iwo Jima and other places. Mr. Blake is the holder of the Navy Cross and other citations.

## Hastings Teen Times

By Judy Jennings  
ELgin 5-1808

The final election of officers was held last Friday. Danny Armstrong is Wilson's new president; Patt Kilfroe is vice president; Diane Wooten is secretary; Susan Carney is publicity; Linda Palmer is hospital; Susan Jordan is entertainment; Susan Grant is girls' activities; Bill Bliff is boys' activities; Elsie Garlick is 10th Grade counselor; Charlene Peary is 9th Grade counselor; Larry Kistler is 8th Grade counselor, and Wendy Sinkin-binder is 7th Grade counselor.

Last Thursday an assembly was held to introduce all of the candidates. Each candidate delivered a campaign speech. Elections are conducted on the same basis as national elections and create quite a bit of excitement around school.

**WILSON'S** basketball team played Eliot Junior High last Friday. Our B team won, 33 to 32. It sure was a good game.

**WE MISSED** Judy Everest at school all last week. She has sinus trouble.

**REPORT CARDS** are coming out Friday, the 27th. Boy, there'll sure be some excitement around Wilson.

## GUILD MEETING

## MRS. JOHN F. CRAIG VISITS

Mrs. John F. Craig of Anaheim visited her son-in-law and daughter, Mr. and Mrs. Gordon S. Templar, 1220 Tropical, and their daughter, Gail, over the weekend and the first of this week.

Tuesday night is the night. Be prepared to give when volunteer workers ring your doorbell in the annual Mothers' March on polio.

So says Mrs. Fred Hoffine, East Pasadena chairman of the two-hour drive for funds, and Eugene Field School districts, Mrs. Eugene Rode and Mrs. Martin Smith.

Gifts obtained through the Mothers' March always produce a large share of the vitally needed funds for the battle against polio, Mrs. Hoffine

pointed out. A donation from each householder is much appreciated.

She added that, although polio drive funds have helped to discover the Salk vaccine and provide for inoculation of many thousands, research must continue and treatment must be provided for those who already have contracted polio.

Workers will ring all doorbells in the area whether or not a porch light is left burning. Volunteers will carry official credentials and envelopes will be provided for those donors who wish to seal their contribution.

In the Field School district, these workers will be collecting funds:

Mrs. Ken Smith, lieutenant, and serving with her Mmes. Gordon Bosworth, J. O. White, R. I. Hasbrook, Charles H. Flannery, Lee K. Petersen, L. J. Ross, R. O. Skamser, Joseph Mayer, Norman Buckle, D. Las Jardineras  
Plans Annual

Members of Las Jardineras will have luncheon at Descanso Gardens and tour the beauty spot for their February meeting.

## WRITING COURSE SET

The Adult Education course in creative writing, "Writing for Publication," will begin its second semester Jan. 31, from 7 to 10 p.m. in Room 6, Social Science Building of the Mon-rovia-Duarte High School.

**CIVIC AND BUSINESS** dignitaries joined officials of the Allstate Insurance Co. in the formal opening Jan. 20 of Allstate's new \$1,175,000 office building, shown above, in the Hastings Ranch area of Pasadena at 600 Sierra Madre Villa Ave. The new building was occupied last month by the office, which had previously been located in downtown Los Angeles. The brick and stone office building contains 74,160 square feet of working space on the first floor and a lower level

designed to fit the rolling contour of the building site. Acoustical tile ceilings reduce office noises. Asphalt tile provides an attractive and easily maintained flooring. A cafeteria seating 270 has an exterior wall of glass to allow a view of an exterior patio and landscaped area. Off-street parking for 362 cars is provided. The office has a staff of 746 in the regional area, including 208 licensed agents.

**GOLDEN TEXT**  
"If we love one another, God dwelleth in us, and his love is perfected in us." These words from the first epistle of John (4:12) are the Golden Text of the Sunday Lesson-Sermon on "Love" in all Christian Science churches. The story of Joseph's love for his father, and his triumph over the resentment, hatred and jealousy of his brothers is told in the Lesson-Sermon.

## Bethany Elects New Officers, Receives Its Annual Reports

A business meeting of Bethany Church last Friday night was the scene of reports from all departments for 1955 and the election of new officers.

Newly elected to the board of elders are Messrs. Earle Anstadt, Glenn Hoffman and Rudolph Carlson; board of deacons, Hugh Bell Jr., Ed Schrotzberger, and Ephraim Strankse; trustees, Don McDonald and A. F. Carlson. Added to the board of deaconesses were Mesdames Edith Ames, Jean Bell and Eva Freeman. Newly elected as Sunday School superintendent was Mr. Bob Kindred.

Continuing as church officers were Mr. Bob Everhart, clerk; Bert Schultze, treasurer; M. L. Kirkpatrick, missionary treasurer and head usher, and Mrs. Mattie Hailey, financial secretary.

Reports from all departments were most encouraging. The continued growth of the church was reflected in the financial report. From all departments there was reported more than

\$52,000 income for the year. More than \$10,000 was disbursed to home and foreign missions. Slightly over \$17,000 was needed for the church budget. The Sunday School operated from income of \$3,845 and more than \$18,000 was paid into the Building Fund for the year.

Emphasis was given to the need of further contact for the Building Note Drive which now stands at about \$65,000. It was again pointed out that this 5 per cent investment opportunity is open to all, not just those in the church.

## Services Take Place Here For Eddie Durham Robertson

Services were held in the Sierra Madre Congregational Church last Monday morning for Eddie Durham Robertson, former Sierra Madre postmaster who died Jan. 17 in Wadsworth Hospital at Sawtelle.

Ritualistic service was given by the Sierra Madre Masonic Lodge, of which Mr. Robertson was a member. The remains were cremated.

Mr. Robertson was born Oct. 10, 1894, at Siloam, N. C., the son of Sarah Jane and Isaac Lee Robertson.

After graduation from Oak Ridge Institute at Oak Ridge, N. C., Mr. Robertson served in the U.S. Marine Corps during World War I at the Philadelphia Navy Yard.

He met the future Mrs. Robertson while employed by the Secret Service in Charlotte, N. C. The couple moved to California in 1922 and came to Sierra Madre from Venice in 1924, when their son, Allen, was a year old.

Mr. Robertson was chief accountant in the Natural Gas Division of Petroleum Securities (E. L. Doheny) for years, then moved successively to the Richfield Oil Co., Texaco, and General Petroleum at Santa Fe Springs and Claude G. Vedder at Bakersfield.

He was city clerk of Sierra Madre for three years, during which time he was president of the Finance Officers' Association of the League of California Cities.

Mr. Robertson was appointed postmaster of Sierra Madre in 1946 and was serving in this position when he was stricken with a cerebral hemorrhage on March 31, 1954.

He suffered another stroke in March, 1955, and a third on Jan. 15, 1956, from which he never recovered.

Besides the Sierra Madre Masonic Lodge, Mr. Robertson was a member of the Monrovia Lodge B.P.O.E., a past commander of the American Legion and a member of Glenn Dyer Post in Arcadia, and a Past Patron of the Sierra Madre Chapter of the Eastern Star.

He is survived by his widow, Donna; a son, Allen, of Cam-

*Had a physical lately?*

Having one by your doctor at reasonable intervals is one of the best ways to help your personal — long — and healthy — life. So many conditions and diseases can be overcome if caught in time. The drugs on our shelves are wonderful help, almost unbelievable help at times, against microbes, but they can't do their amazing healing without being used. They're at the disposal of your doctor — some of the discoveries of modern medical science to help you and your family have a long and healthy life. Stay healthy. Have a physical check-up as often as your doctor recommends.

## Trinity Church Receives New Hymn Books

The members of the Trinity Presbyterian congregation quite literally turned over a new leaf when they started the New Year with their own new hymnbooks. The occasion was marked by a Litany of Dedication for the hymnbooks during the Sunday service last week.

For the past three years, since coming to their new building, they had been using old hymnbooks, given to them by the Westminster Presbyterian Church, and which they in turn will pass on to another new church.

The new book, entitled THE HYMNBOOK, has been under preparation for the past five years, and just published. It is the result of the efforts of a joint committee of representatives from the Presbyterian Church of the U.S.A. (their church), the Presbyterian Church in the U.S. (the southern church), United Presbyterian Church and the Reform Church in America.

It is with a feeling of great satisfaction that those attending Trinity receive THE HYMNBOOK, for it not only enables them to join in singing some of their favorite hymns not in the old hymnal, but also to join in the excellent section of responsive and unison readings.

Visitors are always welcome at the Trinity Presbyterian Church at 3740 E. Sierra Madre Blvd. The Rev. Donald H. Osterlander is the pastor.

## Choir Will Sing At Early Service At Congregational

The chancel choir of the Congregational Church, under the direction of Stewart Matter, will sing at both the 9:30 and the 11 o'clock services this coming Sunday. They will sing "The Builders," by Chapman.

At 9:30, Mrs. Isabelle Hay-Chapman will sing "Today, If Ye Will Hear His Voice," by Rogers, as an offertory solo. Mrs. William Hawkins will sing "He That Dwelleth in the Secret Places of the Most High," a musical arrangement of the 91st Psalm, by McDermott.

Mr. Lindsay will preach on the subject, "What's Your Authority?" in which he will examine the Bible as a source of truth for our lives today. Church school meets at 9:30, with special care for children at the 11 o'clock hour also.

## Featured in Magazine Article

Mrs. Ronald Townsend

Mrs. Ronald Townsend, 755 Rim Road, is featured in the February issue of the Ladies' Home Journal, in an article entitled, "The plight of the Young Mother."

Mrs. Townsend was selected with three other typical young mothers to be brought to the Journal Work Shop in New York to answer questions regarding the problems confronting them during a typical day.

In an effort to determine whether "society is asking too much of young women with children to devote 14 or more

hours a day to their homes, with no help or relief," the panel was able to formulate a number of enlightening conclusions. How young mothers spend their busiest hours, favorite hours, their time in shopping and keeping house, is discussed in detail.

Mrs. Townsend has four young children and a husband who is a horticulturist in charge of Pasadena City Parks. A great deal of the editorial content of this Journal feature is made up from Mrs. Townsend's answers to the panel.

# PERFORMANCE made it the Largest Selling "8" in the World...

## the FORD V-8

Just look at these official registration figures  
for the first 11 months—January  
through November, 1955

### Here's why!

People just naturally go for 8 cylinders in the FORD package!

And to a world record extent!

Just think, in the first 11 months of 1955 alone, 344,496 more people bought Ford V-8's than the two other low-priced competitive eights combined!

Of course, the reason the Ford V-8 is the largest selling eight-cylinder car in the world is that more people like its

brand of performance—the kind that comes with the car!

These people aren't amateurs in judging engines. Nearly 24 years of building Ford V-8's to supply their demand is convincing proof of that.

And the Ford V-8 of today is the best yet . . . by a country mile!

Smoother and quieter—you can scarcely hear it, even with the hood up!

Sassier—just ask the highway patrol officer who drives one. He knows it takes a Ford to catch a Ford!

And, for the very practical question of durability—ask a Ford cab driver. He knows how Fords take it days on end.

So, if it's performance that you want—and wrapped like a gift—the '56 Ford V-8 is your baby.

Come in . . . try it today!

### Sports in Haste . . .

## 'Sport of Kings' Rates a Big Raspberry in Ayres' Book

By Charles Ayres

Noah Webster, he of dictionary fame, defines "sports" as being that which makes pastime and diversion, especially athletic games.

The part before "especially" is pretty broad, but whether it would extend as far as a baby shower is debatable. It has been extended to horse racing, however, and seeing as how this is a sports column and one of the country's finest racing plants is just down the road a piece, it's deserving of some mention.

Santa Anita Hastings and Santa Anita race track have their name in common, as well as occupying the same area of the San Gabriel Valley.

With all due respect to our Arcadia neighbors, whom I understand enjoy some tax relief from the revenues, if you've been unfortunate enough to get hung up in the eastbound traffic hereabouts on a racing day (provided you weren't going to the track, that is) you've probably expressed a pretty strong wish that the proximity would cease.

Being of the school that leans to the more restricted "athletic games" definition of sports, I've experienced some difficulty fitting the "Sport of Kings" into the picture. Bob's hot tips for half a buck can't find the same response in me that a team pennant or big yellow mum can or the bustling restaurant and cocktail lounge versus the hot dog, peanuts and bottle of beer.

UNTIL A FRIEND straightened me out, I always thought the race results were on the financial page of the papers.

To the uninitiated like myself it seems horses are given names so you can identify the odds and place your bet. Horses aren't referred to as having won so many races but rather having made so much money. I suppose the one follows the other, though. If they didn't win the races they wouldn't have won the money.

Horse race enthusiasts never seem to trust their own judgment or have the power of their own convictions, if any, but always have an ear peeled to a hot tip or a super system.

This would lead one to believe that you have to be in the "know" or else you may back a horse that's out for exercise or isn't being let out, with an eye toward a future coup when the odds are right.

There are no doubt safeguards against such happenings, but how are you going to prove that a horse or a man, so far as that's concerned, are not putting out their maximum effort?

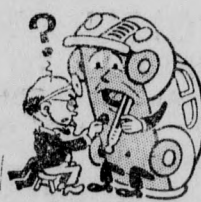

MAYBE THE "SPORT" comes in the gamble to see if you hit one right. If it's the gamble, you can sure have a "batch of sport" on those tables at Las Vegas or even nearby Gardena, I hear, or at a friendly contest for matches and toothpicks.

Anyhow, from the neighborhood standpoint, I hear tell that Jockey Neves has a substantial interest in the Talk o' the Town down on Foothill Blvd. and has been known to wait tables on occasion.

I also hear that our own Bill Holmes is a jockey's agent. The Ranch has an untold number of racing fans that I may be able to give you a pretty good count on by counting the bumps on my hard head after this.

Now if I can talk my editor out of a couple passes, I'll see you at the \$2 window.

If a man has money to burn it is easy to induce others to strike a match.
